Mission, Vision & Values

Mission

EVOLUXER's **mission** is to provide **comprehensive** and **specialized** advice on **international tenders**, both to public and private entities, providing them with **differential value** to achieve success.

Vision

Consolidate EVOLUXER as one of the **reference companies** in the field of **international tenders**, combining professionalism, ethics, excellence and results.

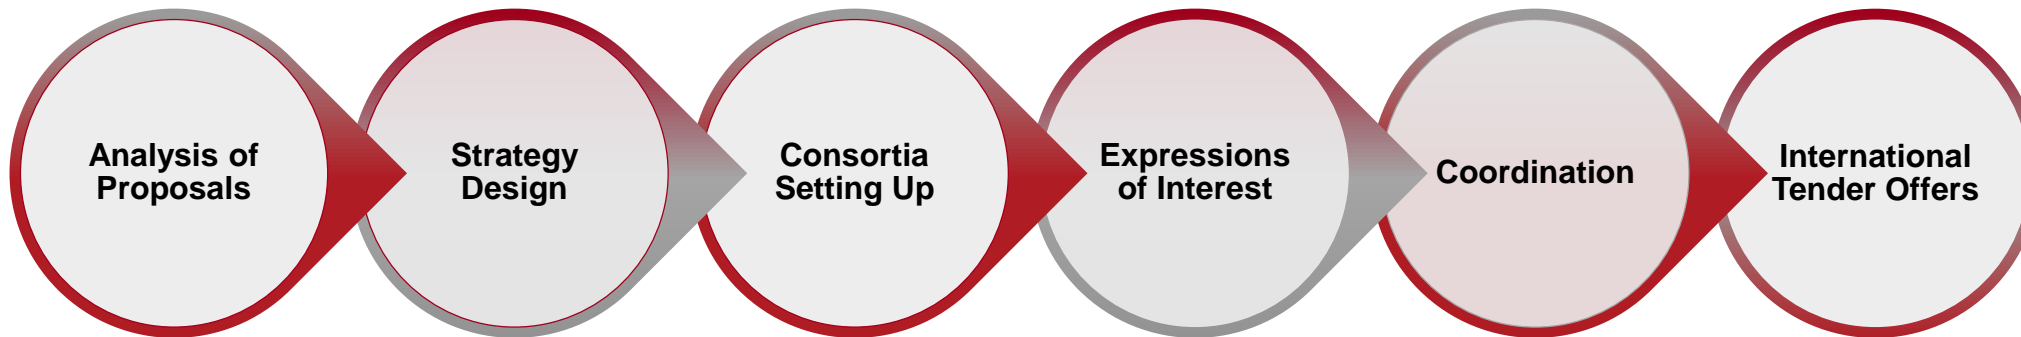

Values

- **Excellence**
- **Professionalism**
- **Social Responsibility**
- **Transparency**
- **Teamwork**
- **Integrity**

Our Services

At **EVOLUXER** we ensure **comprehensive advice to private companies, public and private entities for a successful participation in the international tender market.**

To achieve this goal, we offer our clients the following services, covering the **entire value cycle of a project:**

Our Services

Analysis of Proposals

- Search and identification of offers and business opportunities of interest to our clients.

Strategy Design

- Preparation of the participation strategy with our clients, highlighting their specialization, and adapting it to the specific requirements of each bidding entity.

Consortia Setting Up

- Identification of the best possible partners for the preparation of the expression of interest.

Expressions of Interest (Eol's)

- Drafting, management of all the documentation, administrative preparation and Eol's submission.

Our Services

Coordination

- Coordination activities of the consortium and dialogue with institutions and Competent International Organizations. Contract negotiations and consortium agreements among its members. Management of all financial management associated with projects, etc.

International Tender Offers

- Technical and Economical Drafting of proposals and experts searching for the implementation of the projects.

EVOLUXER Meeting Point

- Trade missions to countries and lobbying and identification of key local partners through our network of contacts in all regions of the world.
